WFHS students are  
constantly

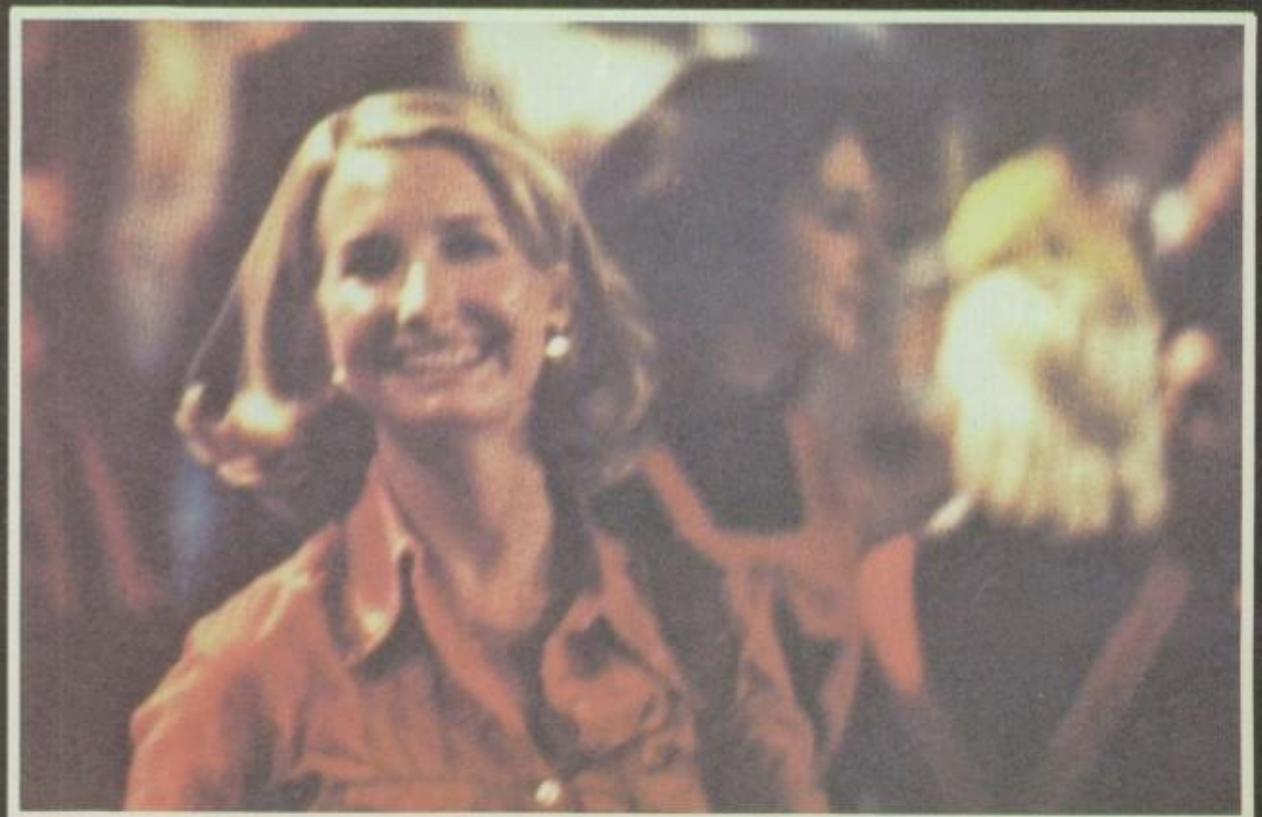

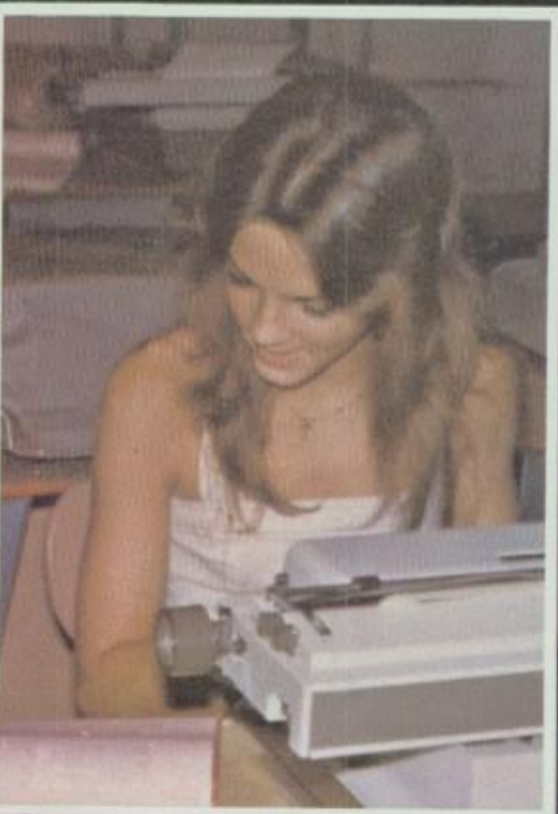

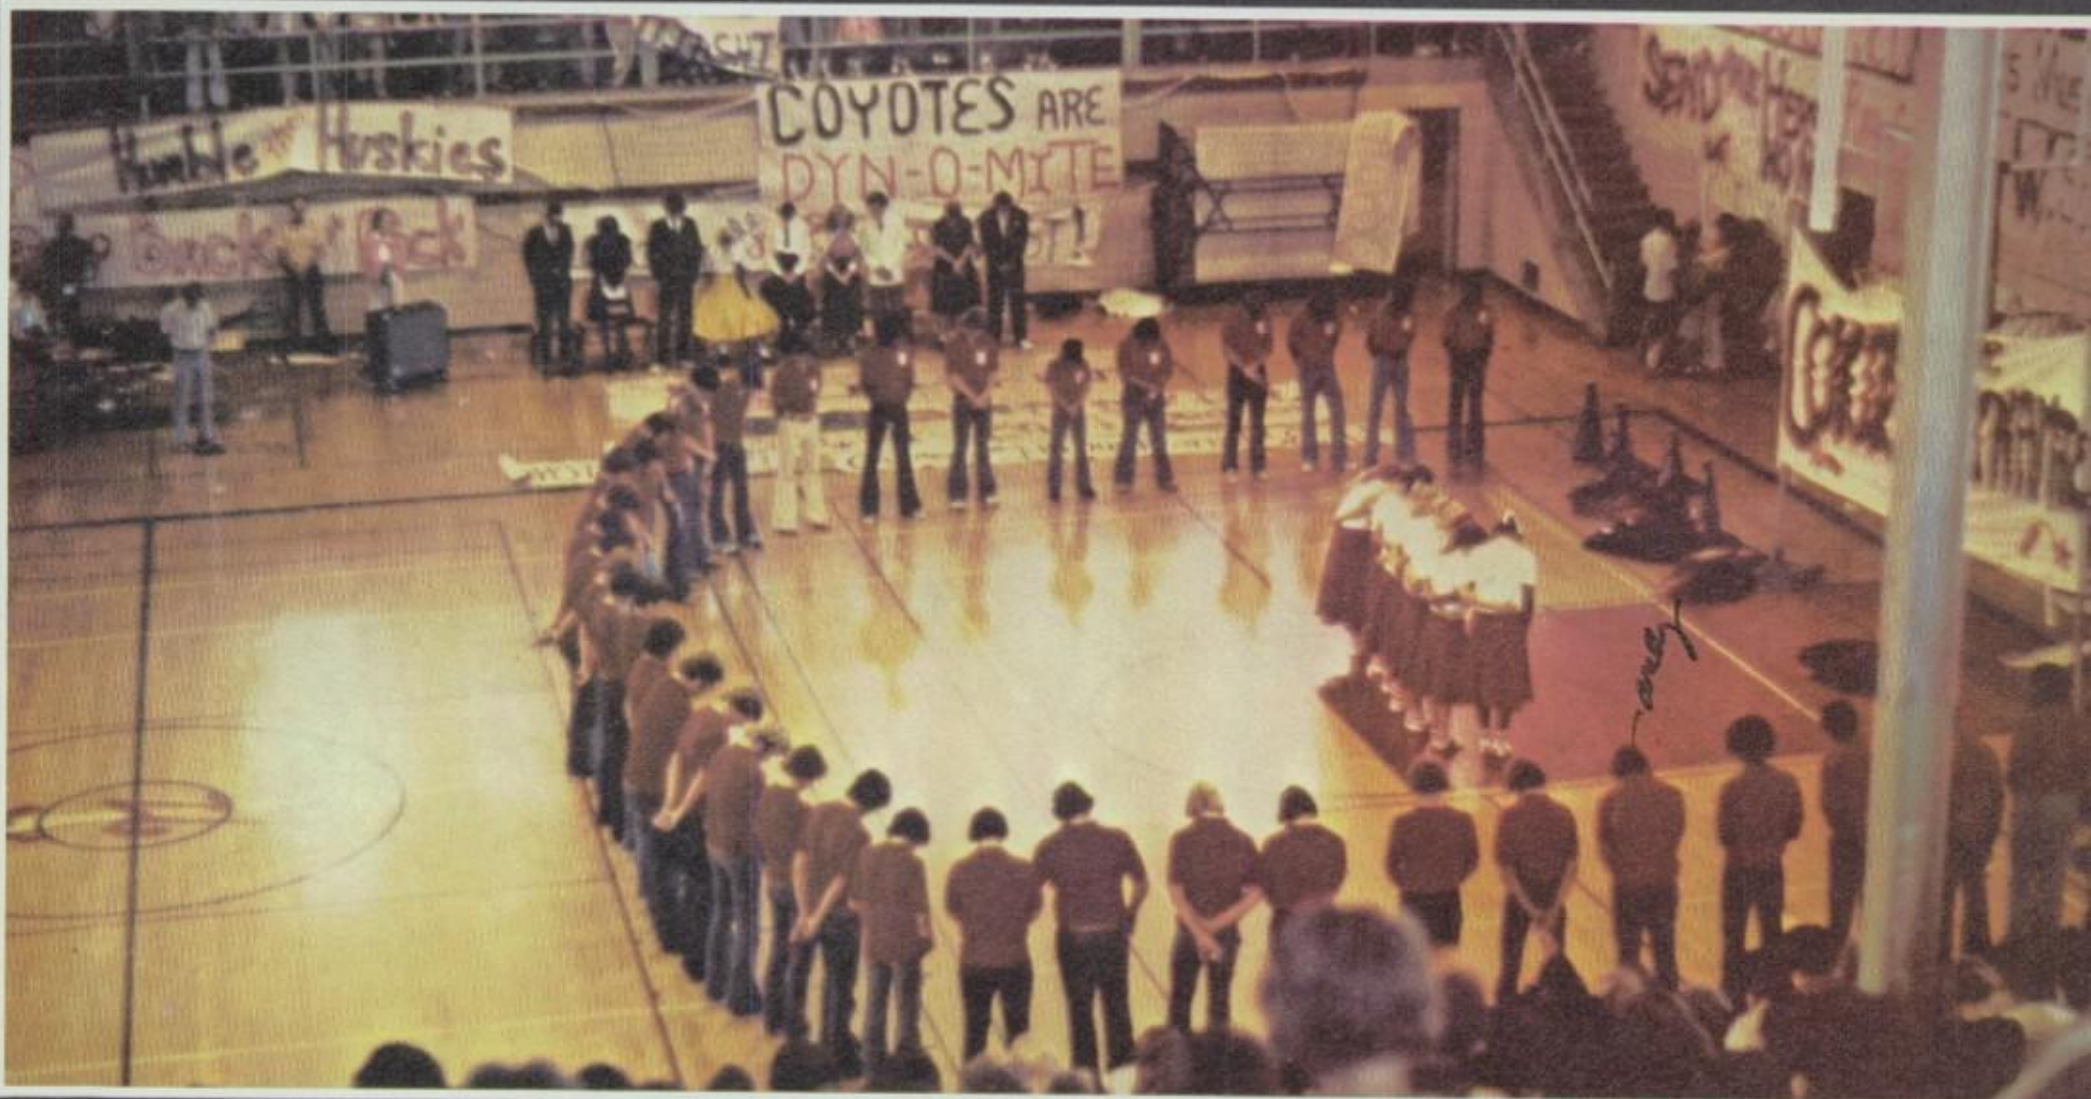

In the News.

# In their quest for identity

and their will to succeed,

they have enriched  
the lives of many —

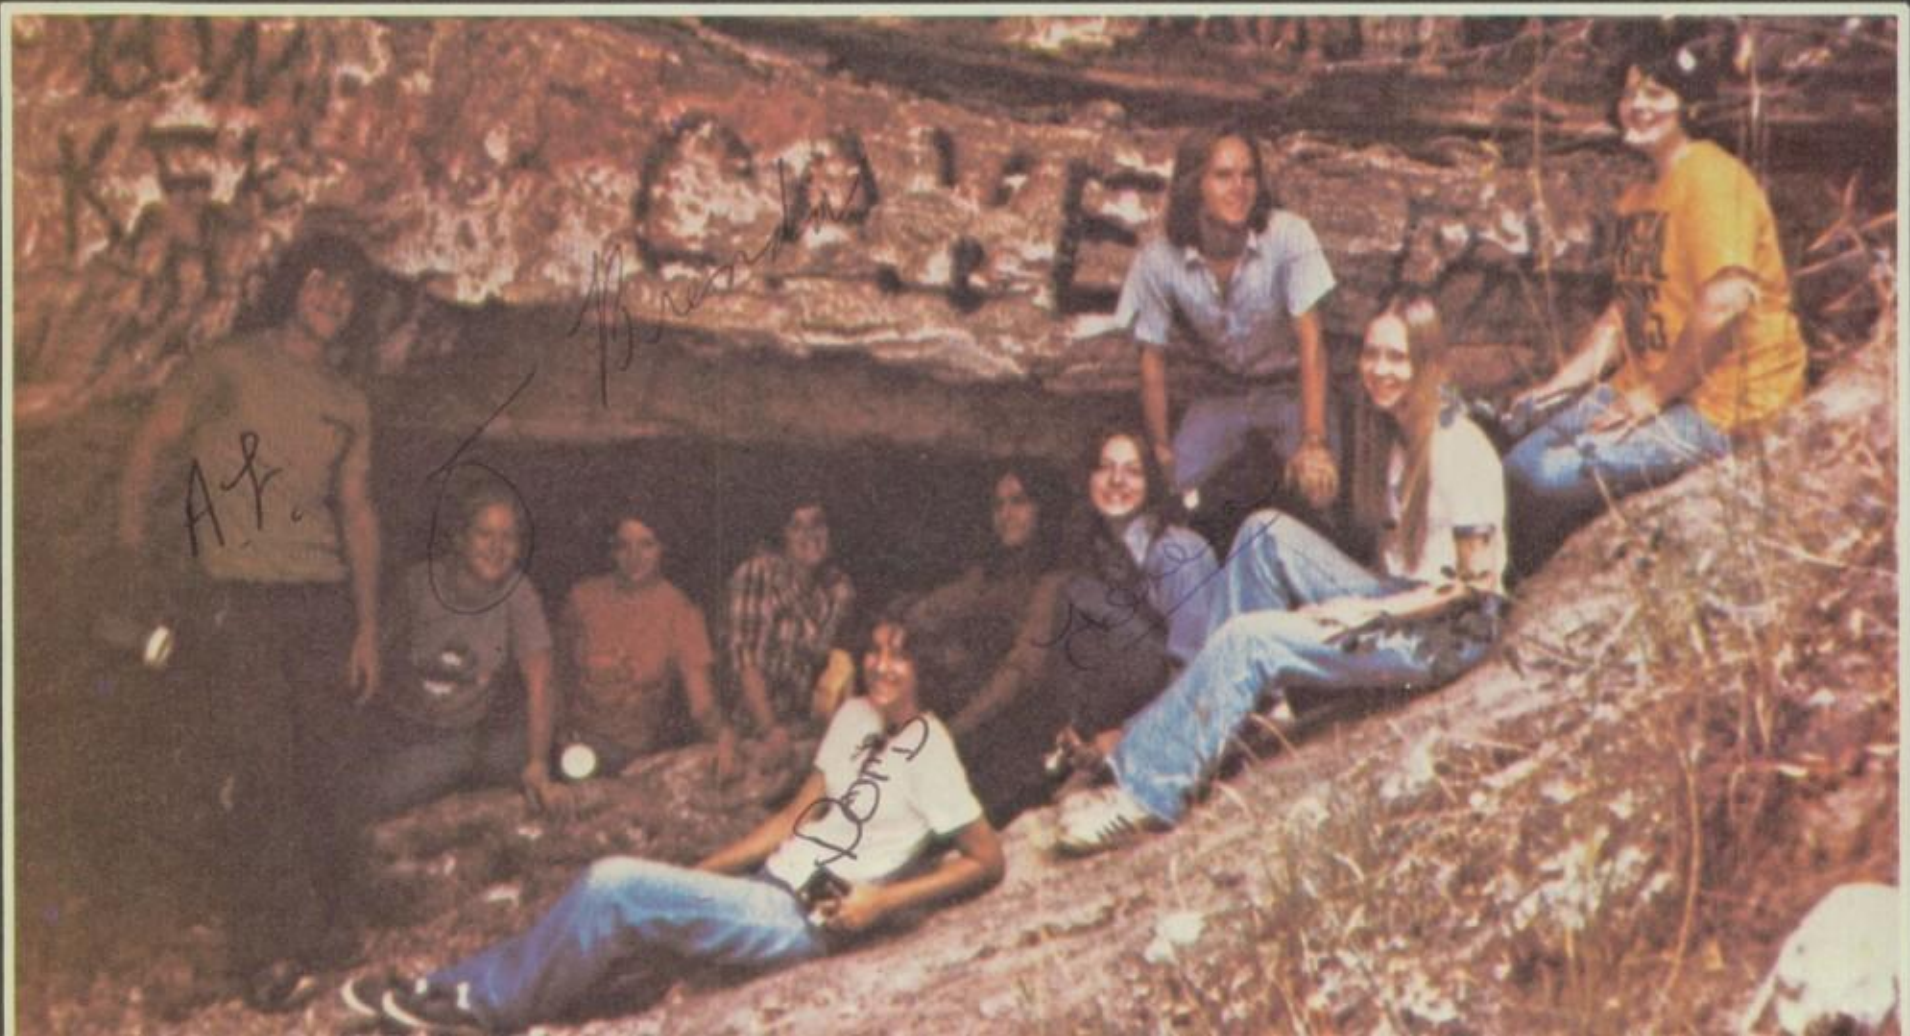

family,

friends,

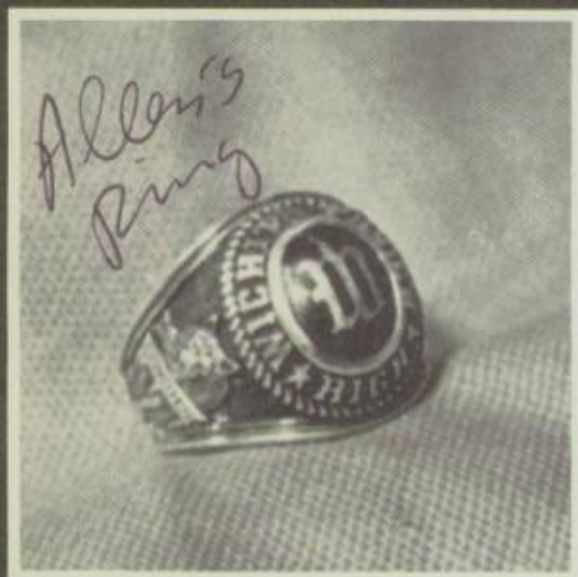

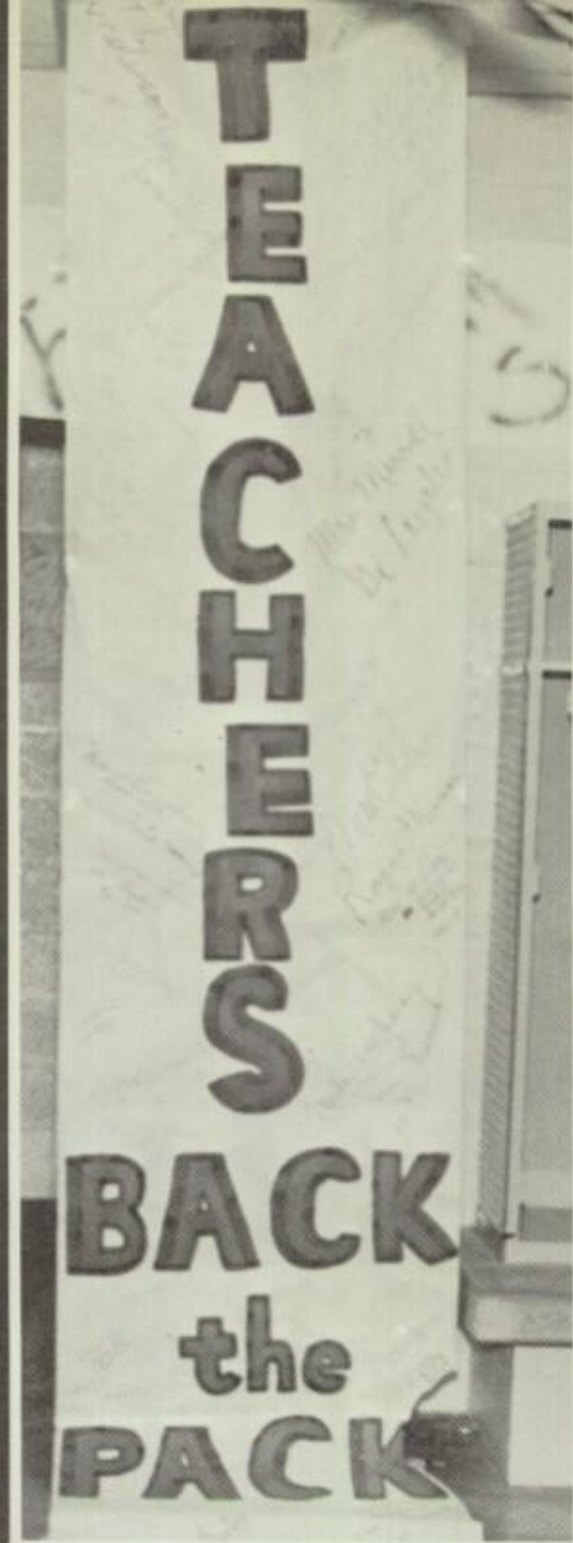

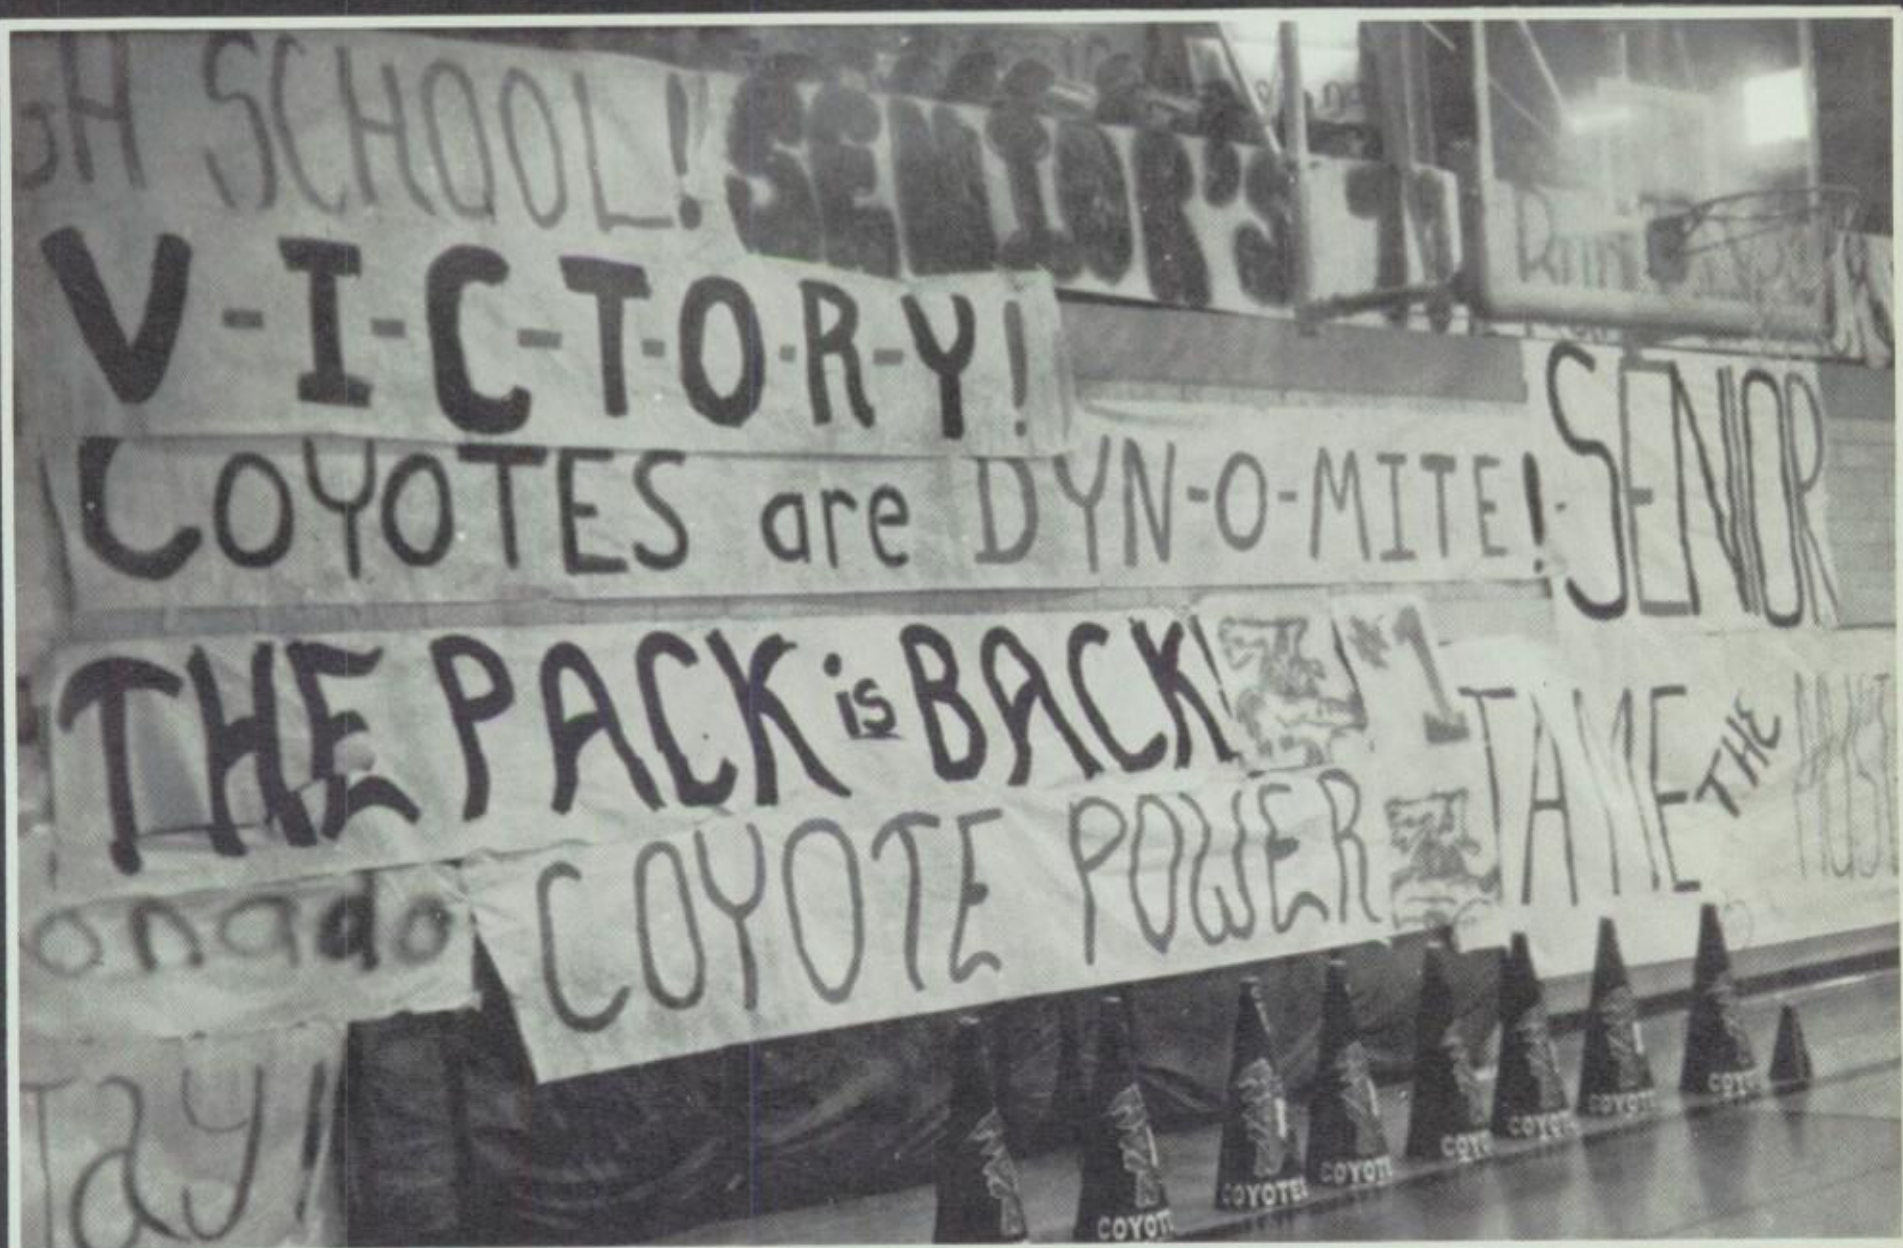

teachers, and the general public.

They have won recognition

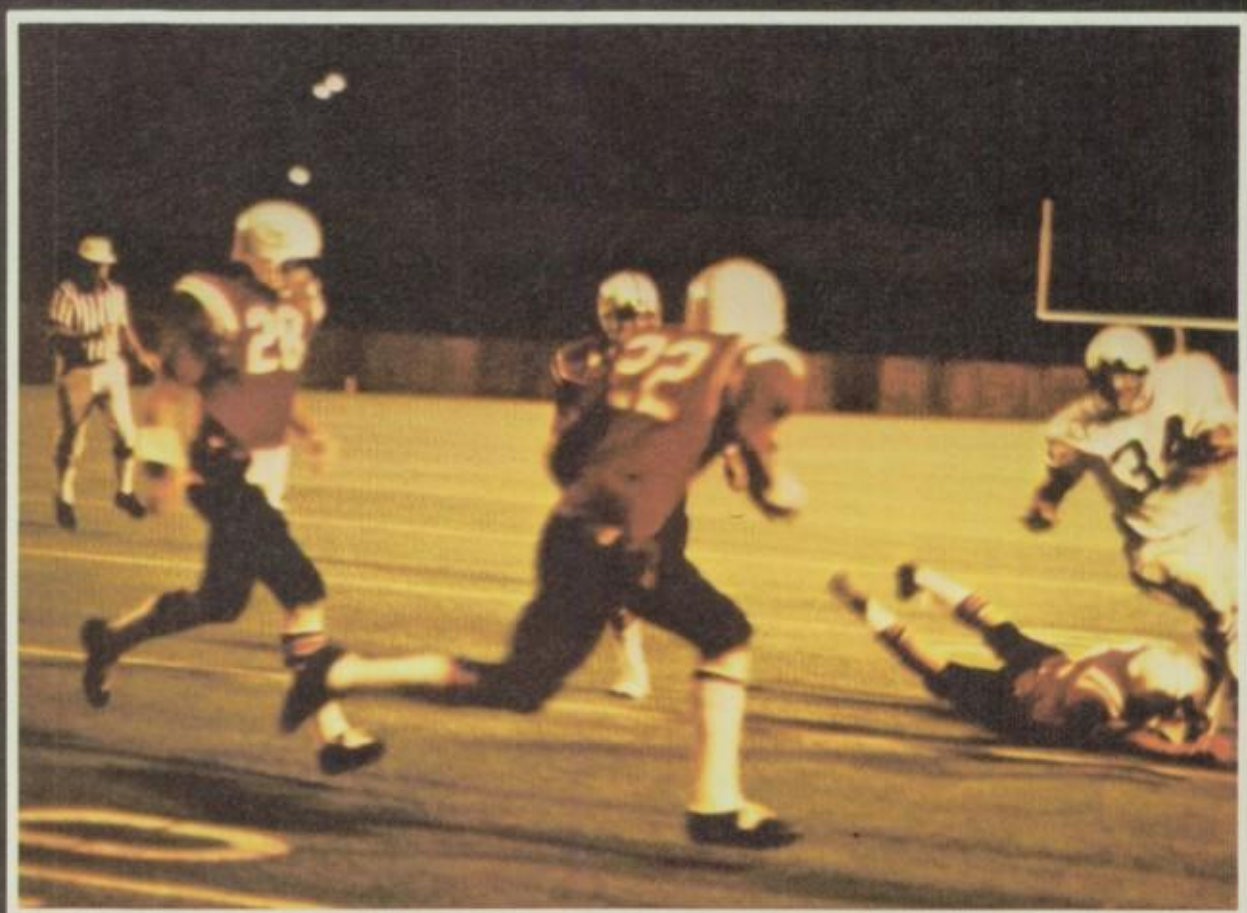

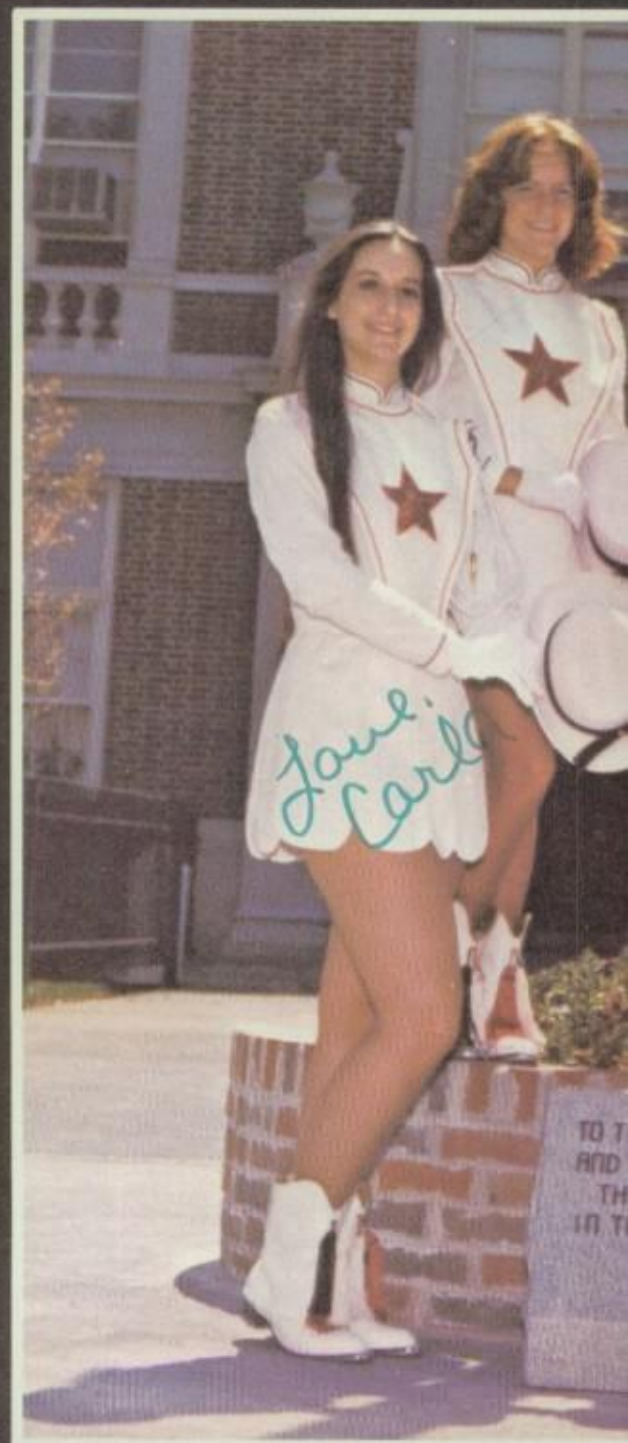

and praise

through their

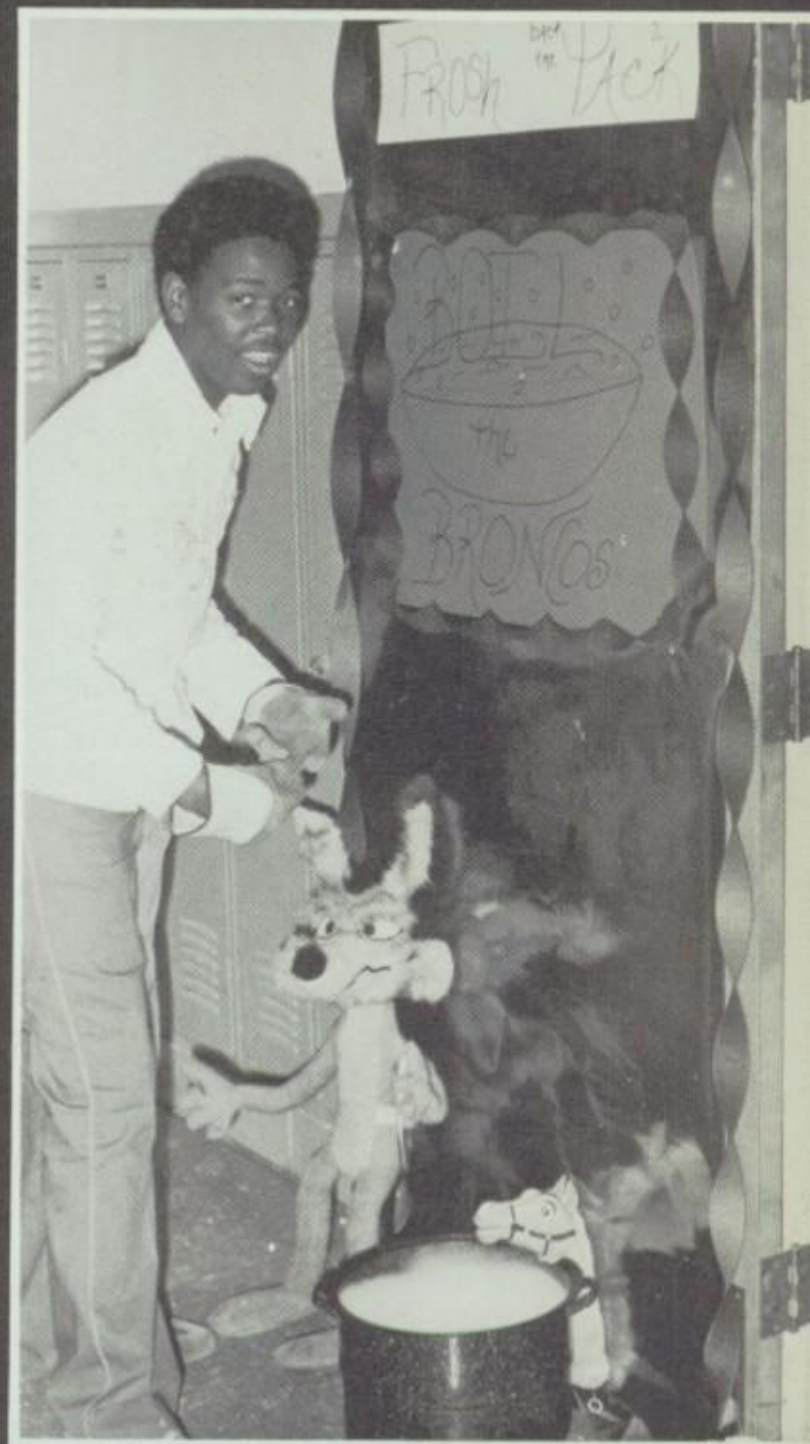

many endeavors

and through  
their spirit

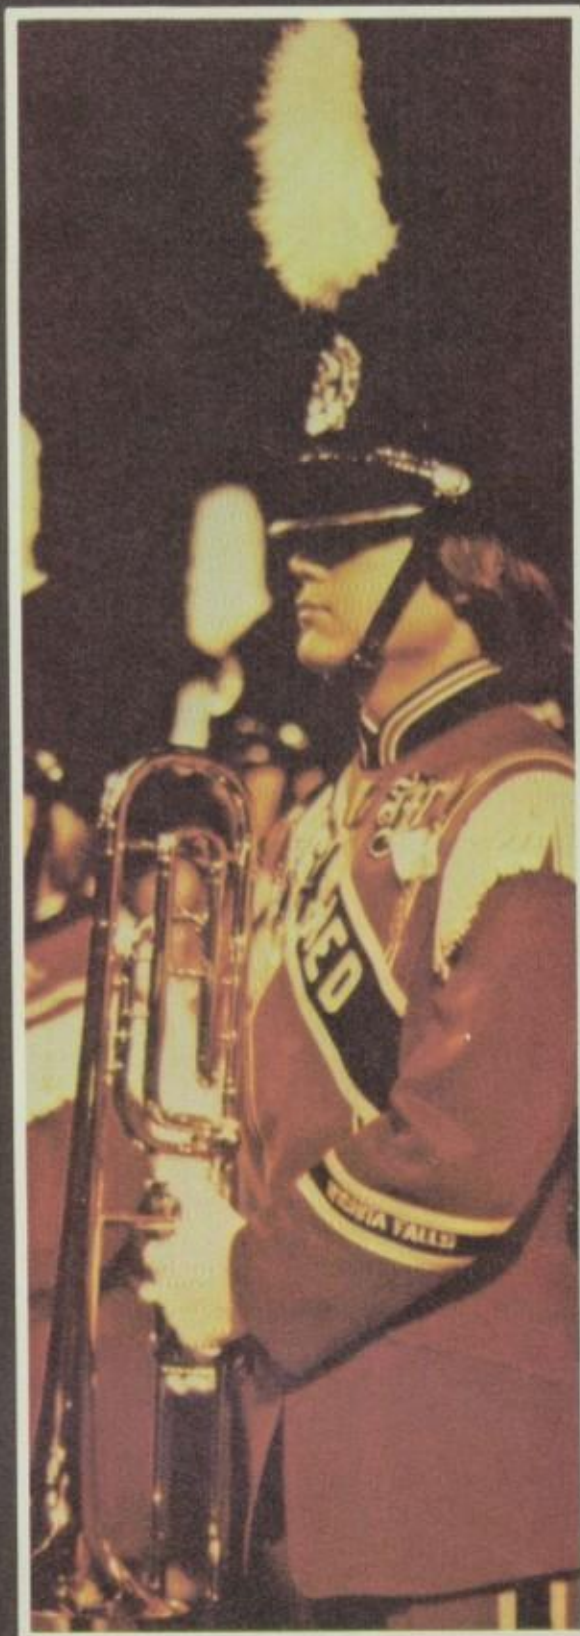

for school and nation.

This is a generation on the  
move.

They are news in the making.

# DEDICATION

Through his devotion to Wichita Falls High School and his zealous efforts to preserve its traditions, Mr. Don Phillips has won the admiration of both students and faculty. Because of enthusiasts like him, the Coyote spirit continues to endure. It is with great pride that the Coyote staff dedicates the 1977 Coyote to Mr. Don Phillips.

# COUNSELORS

A shoulder to cry on, a wise person upon whom to rely, our counselors, Mrs. Henderson, Mr. Marion, Mrs. Jones, and Mr. Jenkins, have offered the advice and guidance so necessary to high school students. The counselors can't always answer a question or solve a problem, but they can help us find the answers and help make life more livable. They are our friends, our advisors; they are always there.

## The Season at a Glance

The 1976 football season opened with many questions unanswered for the Coyote coaches. Inexperience and waning numbers were their main concerns; however, Pack tradition "never says die."

Players' and coaches' goals were high as the young team began non-district play. Each of the four non-district opponents enjoyed the fruits of the Coyotes' inexperience. Fumbles plagued an otherwise improving offense while the defense hammered away at opposing running backs. In spite of an early 0-4 record, the non-district games provided the seasoning that the Coyotes needed.

District play held new and exciting moments as the Coyotes jelled and devoured the L. D. Bell Blue Raiders 26-3. The Fighting Farmers were on the schedule next, and the heavily favored Coyotes had a long ride home as the Lewisville team defeated the Pack 7-6. Hirschi was not so fortunate, though, as the Coyotes were able to hold off the Huskies in a suspenseful defensive duel ending 12-6 in favor of the Red River Roughnecks. The following week found the Coyotes in Denton. After a shocking 20-7 half time lead favoring the Broncos, the Coyotes, busting the Broncos in the last five minutes of the game, capped an exciting 21-20 victory. Open week allowed extra time to prepare for the district favorite — Trinity. A valiant first half 3-0 lead faded as the Coyotes fell 16-3 to the Trojans. The next week, Rider week, opened with all the spirit paraphernalia imaginable. Emotions ran high as the Coyotes rolled to a first half 7-0 lead in sub-freezing temperatures. The entire game was neck and neck until the Raiders managed to overcome the Pack 14-7 in the last two minutes of the game.

Despite the disappointing 3-7 record, the unity of the 1976 Coyote football team demonstrated the pride and spirit of '76 as they were "one for all and all for one" in victory and defeat.

The 1977 Coyote basketball team enjoyed much success this year as they posted a respectable 18 win 15 loss record. The very inexperienced team, tabbed by sports writers to place fifth in the district race, brought glory and honor to the old red and black by winning the first half of district, thus earning a playoff berth for the district championship. Height was a great disadvantage to the Pack, but they overcame this problem with hustle and determination to win.

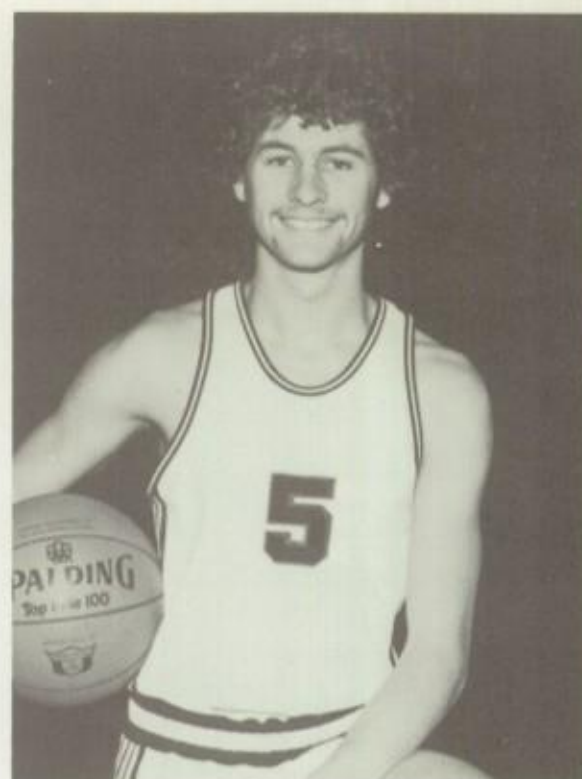

The Coyotes grabbed first place honors in the rugged Midwestern State University Tournament and won the Consolation Prize in the Lawton and Lubbock Invitational Tournaments.

Under the direction of head coach Steve Middleton, the Coyotes, with eight returning lettermen, show promise to improve on the great 1978 basketball season.

## COYOTE CHEERLEADERS

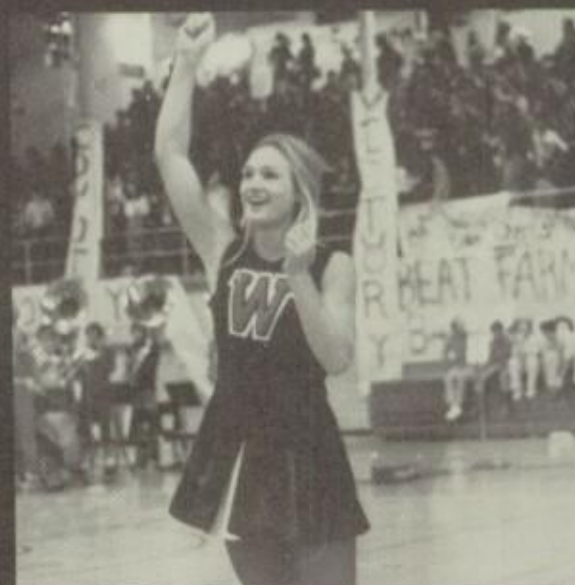

### School Prayer

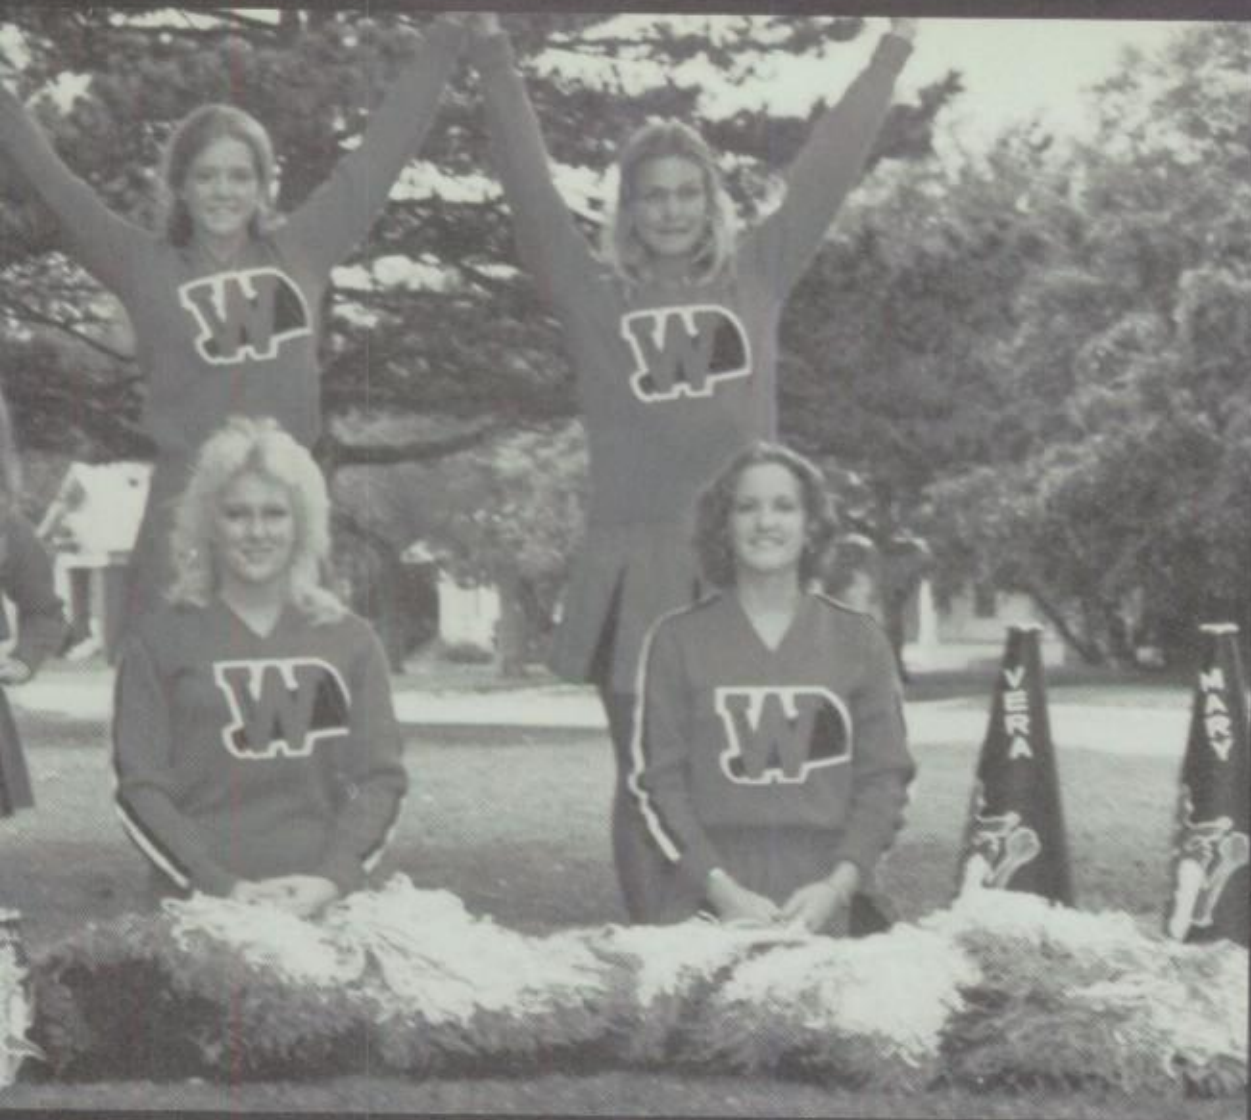

Dear Lord,  
 In the game that goes on tonight  
 We ask for a chance that is fair,  
 A chance that is equal, just and right  
 And the courage to do and to dare.  
 If we should win, let it be by the  
     code,  
 With our spirits and courage held  
     high.  
 But if we should lose, let us stand by  
     the road  
 And cheer as the winners go by.  
 In his name.                      Amen.

Front row: Linda MacKinstry, Vera Young, Jill White, Sandy Woodward, Mary Lee.

Second row: Cherise Huffines, Cindy Brosch, Karen Gillespie, Lori Bekendam.

## School Song

Hail to our colors,  
Hail to our school,  
We'll back you forever;  
That is our rule, together  
Onward to victory,  
Onward to fame,  
In winning or losing,  
We'll honor your name.

Well it's been a long  
 year we're finally grad-  
 uating, too bad we didn't go  
 to State in Cave Dwellers.

Congratulations on your drama  
 scholarship I think you'll do  
 well, but once, just once why  
 don't you try being on stage  
 instead of backstage you'll see  
 why I like it so much.

always remember  
you,

Frankie (Salazar)

Betsy, hasn't it been  
great. It sure has. Remember  
De Bio - II class, De caves,  
the bus trips, the funny jokes.  
Well, there's so many things  
we've done together, including  
going to school since Jr. High.  
Well, I hope you have an enjoyable  
summer and a promising future.  
With much love, Allen L. (moose)

Betsy -  
you're a girl with a very  
sweet disposition, and I'm glad  
we've been in band together (and  
economics this year.) I wish you  
much good luck. God bless you  
always, Betsy,

Betsy - It was fun knowing  
you threw high school.  
I remember ~~back~~ back  
in our 10th grade English  
class when we had  
Mrs. Davis you always  
gave me gum. I don't  
think I would have  
made it threw her  
class with out it. Now  
that we are in Mrs.  
Mousers class - work-  
work - work - Take care  
in the summer
